

main.cpp

```
graph TD; A[main.cpp] --> B[iostream]; A --> C[string];
```

A diagram illustrating a C++ source file, `main.cpp`, which includes two standard library headers: `iostream` and `string`. The `main.cpp` file is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom of this box, pointing downwards to two white rectangular boxes below it. The left box is labeled `iostream` and the right box is labeled `string`. Both boxes have a thin gray border.
